Highlighted class indicate new program, time, and/or instructor update

Athletic Cardio, Strength, and Blended Classes

BODYPUMP: A fast-paced, barbell-based workout that's specifically designed to help you get lean, toned and fit.

CORE & MORE: A 20 minute class designed to focus on the entire core.

POWER HOUR: Power through your workout in this class designed to challenge your entire body in an inspiring group atmosphere.

H.I.I.T. (High Intensity Interval Training) : Cardio and strength interval training come together for an intense workout.

KICKBOX: High energy aerobic style kickboxing for the ultimate workout.

SCUPLT & HIIT: Challenge yourself with this full body interval workout that includes bodyweight exercises along with strength and cardio training.

STRETCH & BALANCE: Exercise programming designed to help strengthen hand eye coordination, flexibility, mobility and balance.

STRENGTH LITE: Full body strength training designed with lighter weights.

TABATA: Increase your aerobic and your anaerobic capacity in this high intensity strength and cardiovascular class.

TRIPLE STRENGTH: Cardio, Strength and Core work at it's best. Join this optimal workout.

W.O.W. (Women on Weights): A full body training program designed to increase strength in a fun group setting.

Cycle Classes

CYCLE: Indoor cycling at its best for everyone looking for a great cardio workout. Bike fittings before class when time allows. Classes may be combined with core, stretch, and yoga as listed on the schedule. Classes are held in Studio 2.

SPIN, TRAIN, & STRETCH: Improve your endurance, strength, and flexibility while combining spinning, strength training and flexibility training.

Dance, Pilates and Barre Classes

BARRE BLEND: Ballet, Pilates and Yoga combined to create this new unique challenge.

GROOVE: A fun blend of Jazz, Latin and Hip-Hop for a great dance workout.

GROOVE LITE: A fun blend of Jazz, Latin and Hip-Hop with modified moves for a great dance workout.

LONG & LEAN: A total body workout focused on lengthening and toning muscles.

PILATES: Improve strength, flexibility, and coordination concentrating on the body's core.

POWER PILATES: Mat Pilates that may utilize additional equipment. Previous Pilates experience preferred.

WERQ: Come have fun in this wildly addictive cardio dance workout based on the hottest pop and hip hop music.

ZUMBA™: Dance your way to a fitter you with a Latin dance inspired cardio workout. Ditch the Workout - Join the Party!

Yoga and Balance Classes

GENTLE YOGA: A more gentle yoga practice in an accessible environment

MINDFUL YOGA: A mindful practice while moving intentionally through yoga poses.

RESTORATIVE YOGA FLOW: Renew and restore the body using active and passive yoga poses. All levels welcome.

SOUND HEALING: Meditation using varying musical venues to help you experience a deeper meditation practice.

SEATED YOGA & BALANCE: A more gentle yoga practice that includes balance work.

SPORTS YOGA: Calling all athletes and weekend warriors alike! Take this time to stretch your muscles while enjoying emotive music in this yoga class designed for you.

YOGA: Open to all levels of yoga practice. May take elements from various Yoga styles.

YOGA NIDRA: Class begins with a gentle movement practice prior to transitioning to the Yoga Nidra practice using Dr. Richard Miller's iRest method of Yoga Nidra. Backed by extensive research, iRest can help people navigate some of life's challenges and enhance one's sense of well-being and peace.

YOGA FLOW: Flowing movements & strong postures. All levels welcome.

YOGA FLOW & CORE: Faster paced flowing yoga and Pilates-based core class designed to promote strength, flexibility, and balance. Movement is music driven and interspersed with bursts of power to generate heat in the body. Modifications will be demonstrated, all levels welcome."
